

DONATIONS

SMALL THINGS MAKE A DIFFERENCE

BEE-LINKED

“The value of life is not in its duration, but in its donation. You are not important because of how long you live; you are important because of how effective you live.”

True value of one's life can be measured by making a significant difference in someone else's.

To be successful is to be helpful, caring, and constructive. Make everything and everyone you touch a little bit better.

Together we can help fund the community by supporting local businesses.

Let's collaborate on how we can support the community through planning events, giving to charitable organizations, or helping a business in need.

Together we can do so much.

"BEE the difference."

“Compassion challenges our assumptions, our sense of self-limitation, worthlessness, of not having a place in the world. As we develop compassion, our hearts open.”

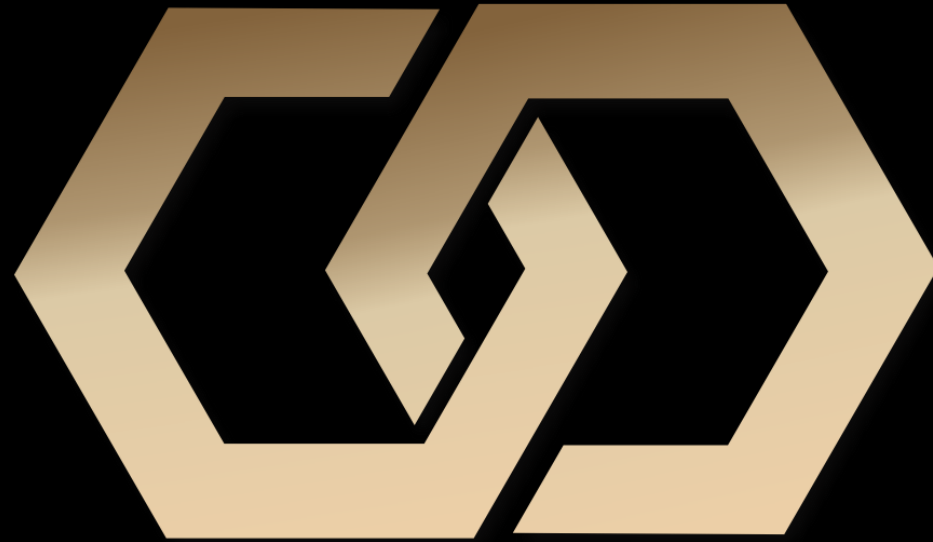

Your participation provides:

- ✓ Support for businesses that have closed
- ✓ Resources for local businesses to remain open
- ✓ Education to the next generation of entrepreneurs
- ✓ Business development services
